

DO-IT-YOURSELF-LOAN—Pretty Wanda Lowe, cashier at Pacific Finance Co., 7904 Broadway, Lemon Grove, re-enacts her part in a hold-up that netted the robber about \$150. The robber, who sauntered out after the robbery and has not been apprehended, first filled in a loan form in the booth shown here, then ordered Miss Lowe, at gunpoint, to put the money in a sack. He also supplied the sack.

## Biggest Crime Wave Sweeps Lemon Grove

Lemon Grove suffered its biggest crime wave in history for a five-day period with four thefts reported from April 29 to May 4. One of the thefts was nipped in the bud. All occurred on Broadway.

The largest theft occurred Friday when \$600 was taken from Ulrich's Service Station, 7505 Broadway, by a bandit who waited until the manager, Johnnie Gregg, who was counting the money, left the cash lying on the floor safe and went outside to assist attendants. The \$600 was receipts for the day. Gregg had been counting the money in preparation for a shift change.

The most spectacular robbery occurred Monday when a gunman got about \$150 at a loan company.

### BRINGS OWN BAG

The gunman, "smelling like he had been drinking," held up a woman cashier at the Lemon Grove office of the Pacific Finance Co., 7904 Broadway, and forced her to empty the contents of the firm's cash drawer into a paper bag.

The cashier, Miss Wanda Lowe, 5542 Boulder Drive, La Mesa, said the man, about 29, gave her personal information on a loan application but "never got to the amount he wished to borrow." She said she had taken his name, address, wife's name and number of children when she left him seated in a booth to answer the phone. When she returned, the applicant, still seated, pointed a gun at her, handed her a paper bag and told her to fill it.

He took the bag and sauntered out. Fellow employees did not hear a small scream Miss Lowe said she emitted.

The gunman's application read Henry Johnson, age 29, 3555 Magnolia Street, El Cajon. He said his wife's name was Angela and that they had four children. The information was fictitious.

Miss Lowe described the man as slight in build, about 5' 9" and as having a weather-beaten appearance. He had brown hair and eyes. He wore a Navy-style foul weather jacket.

## Reservoir Asked For Subdivision

SAN DIEGO (CNS)—A request for a permit for a water reservoir in the La Presa area is to be the subject of a public hearing Friday morning before the county Planning Commission.

The application for the permit has been made by Bollenbacher and Kelton, Inc., large subdividing firm. The application declared the reservoir is needed by the La Presa County Water District to enable it to supply water for houses now under construction in Spring Valley Estates on the west side of Sweetwater Road.

A contract for the reservoir has already been awarded to Chicago Bridge and Iron Co., the application says. The water is to be stored at 8140 Dorchester Avenue, and the reservoir dimensions are to be as follows: diameter, 80 feet and height, 27 feet.

## Several Small Fires Snuffed By Firemen

A flurry of small fires plagued the Lemon Grove Fire Department during the past few days.

A grass fire at the home of Dr. Frank Gigliotti got out of control and was extinguished without loss. An auto belonging to F. Patitucci, 2527 Pergl Street, was smoke damaged when a cigarette fell in an auto blanket.

Another auto suffered \$50 damage when a blaze was started in the upholstery by a cigarette at DiFoss and Mt. Vernon. Owner of the car is Tom Trail.

Damage of \$25 was done to a sofa belonging to Mrs. Dorothy Corle at her home Sunday at 7928 Barton Street. Firemen suspect a burning cigarette.

Tuesday a clothes dryer in the home of Jean Kato, 7461 Tracy Street, burned. The dryer was a complete loss, firemen reported.

## Golden Avenue PTA To Install Officers

## Mom Aids In Murder Planning

The cold, dead bodies of two murdered brothers, five and three, were delivered to a Spring Valley address Tuesday by their compassionless mother and her boyfriend.

The boys, David Wayne Brogdon, 3, and Virgil Brogdon Jr., 5, were strangled to death Saturday by an out-of-work painter, Kenneth Archie Merriam, 36, at a remote spot near Laguna Junction while the boys' mother, Mrs. Wanda Brogdon, 33, sat in the car smoking cigarettes with in sight of the crime. They left them face down and uncovered in the dry bed of a shallow creek.

The couple returned to retrieve the boys' bodies three days later and brought them to the home of Merriam's sister, Mrs. Margaret Schmitter of 1631 Helix Street, Spring Valley. She called the police. Merriam and Mrs. Brogdon lived together at 6970 Fulton Street, Linda Vista.

Deputy Sheriff Don Bryan of 8011 Darryl Street, Lemon Grove, said he had talked at length with the woman who told him the couple agreed the children were in the way. When one of the boys released the handbrake from Merriam's auto Saturday at a market while the couple was shopping, the decision was made. The car rolled into two other autos causing minor damage.

The couple took the youngsters into the Laguna Mountains a few miles off U.S. Highway 80 where Merriam took the five-year-old boy into the brush and strangled him. Thirty minutes later he took the younger boy and strangled him.

Merriam told reporters both boys were asleep when he lifted Virgil from the car. He said the boy complained because the rocks hurt his feet but his mother told him to leave his shoes in the car because he wouldn't need them. Merriam then described in detail how he had strangled the boys.

Early Tuesday, after a round of bars, the mother, according to Merriam, became afraid the boys weren't dead. She thought they might have come to and were wandering around in the mountains. Merriam said he told her he would show her this was not so. The couple drove back to the Laguna Mountains and put the boys' bodies in the rear of Merriam's 1955 Plymouth.

They then decided to turn themselves over to the police and drove to the home of Merriam's sister at the Helix Street address where Mrs. Schmitter lives. She called the police.

## Prizes Awarded LG Residents

Mrs. H. T. Berry of 2620 Main Street, Lemon Grove, Friday won the \$300 first prize in the final Jackpot Drawing sponsored by Lemon Grove merchants and the Boosters Club.

Prizes of \$100 each were awarded to Mrs. C. Gabriel of 7465 Central Avenue, Lemon Grove, and Mrs. R. B. Sanders of 1526 Koe Street.

## La Presa Zoning Stalled Again; Goes To Planners

SAN DIEGO (CNS)—The "traveling" La Presa zoning plan, kicked back and forth between the county Board of Supervisors and the county Planning Commission in recent weeks, was back in the hands of supervisors Tuesday, but only temporarily. It was quickly returned to planners the same day for revisions at the request of Supervisor Dave Bird.

Bird revealed at Tuesday's meeting a hospital will be built in the area bounded by Jamacha

Road, San Francisco Street and Pecos Street, necessitating a zoning change in that area. Bird said the hospital is to be built by a religious group, supported by doctors in the Clairemont area. Bird asked the planners to rezone the area now zoned for homes.

Bird also asked commercial zoning for a 200-foot strip of land between Jamacha Road and Sweetwater Road. The area is currently zoned R-1, but it abuts a commercial area, Bird said.

Tuesday's action by the supervisors marks the sixth time the Planning Commission has considered zoning for La Presa acreage.

Many La Presa property owners attended the meeting, but no testimony for or against zoning was taken by supervisors, because the public hearing was closed in March.

Planning commissioners will consider the requested changes Friday and make a report Tuesday of next week at a meeting of supervisors.

## Coordinating Council To Meet Tuesday

An organizational meeting of the Lemon Grove area Coordinating Council will be held Tuesday at the Lemon Grove Junior High School at 7:30 p.m., it was announced this week by Pastor H. C. Bakken, temporary chairman.

Three items will get the attention of the organization:

1. Consideration of by-laws
2. Election of officers
3. Report on the study on the Ace Drive In Theatre.

In the last item, a committee consisting of The Rev. Donald Cooke, Dorothy Nottingham and Attorney V. J. Dorman were charged with this responsibility.

The Coordinating Council formation stemmed from reaction to reports of juvenile delinquency at the theatre which led to two Sheriff's Department raids in five months.

Pastor Bakken said that all group representatives are urged to attend the Tuesday meeting.

## Stadium Light Fund Reaches Quarter Mark

A quarter of the \$8,000 goal for Mt. Miguel High School stadium lights set by the Mt. Miguel Boosters Club was reached last week, according to Mrs. Thomas Welbaum, publicity director for the group.

The Mt. Miguel Boosters Club is sponsoring a parade to dramatize the need for lights. It will be held Saturday in Lemon Grove. Both the Mt. Miguel High School band and the Lemon Grove Junior High School band will be among the 28 marching units. The high school band will give a concert in the Plaza after the parade.

DID I REALLY WIN?—Doree Radici, second from right, registers surprise and a great deal of happiness as she is announced winner of the Lemon Grove phase of the Fairest of the Fair and Miss Con-tour beauty contest held April 27 at Michael's Steak House. LaRoyce Cooper, far right, appears to be more surprised than Doree at the announcement. Other contestants are Judy Secor, left, and Lynne Peak, second from left. Doree will compete with finalists from all over San Diego County May 31, when a girl will be selected to reign at the San Diego County Fair and Exposition June 26 to July 5 at Del Mar.

## Record High Budget Eyed

A preliminary county budget with a record \$72,492,000 price tag was presented to the Board of Supervisors Tuesday by T. M. Heggland, chief county administrative officer.

It is \$10,269,000 higher than last year's.

An increase in the present county tax rate of \$1.98 for each \$100 assessed valuation will be required to finance it.

The budget increase amounts to 16 percent.

In the Lemon Grove-Spring Valley area property has recently been re-assessed and reports from individual property owners indicate values have been increased 25 to 100 percent. The new, higher tax rate would apply to the new, higher assessed valuations. Heggland reported the increase was necessary in face of a county-wide increase

of 6 to 7 percent of assessed valuation.

At least one group in the South Lemon Grove area is being formed to protest the increase in assessed valuation. An organizational meeting is planned for this week.

Heggland reported increased public services, increased wages of county employees, and tax refunds as a result of a Supreme Court decision involving defense plants with federally-owned equipment contributed to the need for extra funds.

## Local Printer Jailed On Speed Charge

Victor Berggren, 18, of 7399 Waite Drive, a former apprentice printer at the LEMON GROVE REVIEW, Monday was sentenced to jail, fined and had his license suspended for speeding.

Municipal Court Judge Huntington Bledsoe sentenced Berggren to 90 days in jail but suspended 87. He will serve the sentence on weekends. He also fined Berggren \$53 and suspended his license for 30 days.

Berggren was charged with driving 75 miles an hour in a speed contest. Another motorist challenged him to a race and he rose to the challenge.

Police said Berggren's car made a U-turn over a center island when officers turned on red lights and a siren on Highway 94 near College Avenue. He was arrested when officers found his car under the bridge. The other motorist escaped.

## Rabies And Polio Shots Next Week

Mrs. John Belt, health and welfare chairman of the Spring Valley Elementary School PTA, reminds everyone that Dr. Fred Sherman, Spring Valley veterinarian, will be at the Spring Valley Elementary School May 16 to give two-year rabies shots to dogs for a fee of \$2.50 each.

The third polio inoculations will be given at Mt. Miguel High School May 14, from 4 to 9 p.m., Mrs. Belt advises. Cost will be \$1.

## The Dimmer View

by MAX GOODWIN

We have more wealth tied up in our schools than in any other single possession in our community. Additionally, we have the future of our children, and indeed the future of our country contained in the school package. The type of district we have for the money we spend is the responsibility of the board of trustees.

We are reprinting here a School Board Candidate Check list because voters in the Lemon Grove Elementary District, the La Mesa-Spring Valley Elementary District and the Grossmont High School District will be naming trustees May 19.

We will offer some editorial opinion on specific candidates next week but as a splendid guide for making a choice we feel the space dedicated to this material will not be wasted.

1. Has the candidate an unselfish interest in the public schools, the community, and in every child?

2. Has the candidate arrived at a position of recognized leadership in the community?

3. Is the candidate seeking the position for personal prestige or political gain?

4. Is the candidate a leader in his own occupation or community group?

5. Is the candidate a known quantity in the community?

6. Is the candidate able to think independently and objectively about a problem?

7. Will the candidate accede cheerfully to the decisions of the majority?

8. Has the candidate a record of the kind of leadership that will represent the district as a whole rather than a record identifying him with a particular group, cause, or geographical area?

9. Will the candidate work to develop unity among the members of the board, contributing to harmonious development of the program?

10. Will the candidate give the necessary time to this important position?

11. Is the candidate capable of recognizing and distinguishing the jurisdictional power and functions of the board and administration?

12. Does the candidate know the political boundary and physical geography of the school district?

13. Does the candidate have the courage and ability to explain and enforce a rule which might not be popular but which is proper?

14. Does the candidate understand that leadership often involves the turning of public opinion from an erroneous attitude to the acceptance of a feasible rule?

15. Is the candidate aware of the cross currents of thinking pertaining to the basic concepts of public education and will he remain loyal to his trust under stress?

16. Does the candidate have a layman's relationship to public education?

17. Does the candidate make a habit of withholding judgment on critical issues until the facts are available?

18. Is the candidate able to carry on cheerfully when public appreciation of his efforts seems to be lacking?

19. Does the candidate have personal interests that would invalidate his service to the board?

20. Does the candidate have a sense of humor?

21. Does the candidate show evidence of knowledge of moral and spiritual values?

The ideal candidate of course would rate "yes" on all items of the check list except 3 and 19, which would require "no" answers, for a 100 percent score. We'd say that candidates scoring 90 percent or better would be desirable members of almost any school board.

## County OKs Lights

County Board of Supervisors Tuesday approved payment by the county of \$52,800 for lights on Broadway in Lemon Grove in connection with the street's improvement. The rest of the money needed for the improvement will be raised through the 1911 Act with property owners being assessed \$40 a front foot.

Top award in the county-wide Conservation Poster program was won this week by Floyd "Biff" Turner, seventh grade student at Lemon Grove Junior High School.

## Local College Student Has Lead In Production

A Spring Valley student at San Diego State College will appear in a leading singing role in the Aztec Theatre Guild production of John Gay's bawdy musical romp, "The Beggar's Opera," to be presented May 8, 9, 14, 15, and 16 at 8:30 p.m. in the Campus Theatre.

She is Carol Prasser, senior music major, of 1951 Avon Lane. Miss Prasser will appear as Lucy, the jailer's daughter, in the 18th century satire. She has performed previously with the San Diego State Opera Workshop and has toured overseas with "The Kids from Home," a troupe of college entertainers sponsored by the United States government. An accomplished instrumentalist as well as a singer, Miss Prasser teaches accordion and performs professionally.

Dr. William J. Adams, assistant professor of speech arts, will direct a cast of 54 with chamber orchestra, chorus, and dancers in the college production. He describes "The Beggar's Opera" as "the first long-run hit in theatre history—an impudent classic which has never lost its wit and vitality."

Tickets may be obtained at \$1.25 each from the college bookstore, JU 2-8353, or at the door on performance nights.

ESSAY WINNERS—Lemon Grove students who were winners in the Public Schools Week essay contest sponsored by the Lemon Grove Masonic Lodge, are shown during an awards dinner April 24 at the junior high school. From left, in back row, are Kathy White, Golden Avenue School; Nancy Chadwick, Junior High School; Mary Bouterious, Junior High School. From left, in front row, are Dr. Calvin Nichol, chairman of the event; Sharon Butcher, Monterey Heights School; Jane Bouterious, Vista La Mesa; and Francis Patterson, Lemon Grove Masonic Lodge Master.

## Cerebral Palsy Month Marked Here

The month of May has been designated "Cerebral Palsy Month" in San Diego County with emphasis to be placed on therapy.

United Fund contributions support both the local and national program. In San Diego County there are 2,000 persons with the affliction.

San Diego is one of the few communities in the United States in which no attempt will be made to raise funds during the "month." Efforts will be directed toward finding employment for the victims. Employment, United Fund spokesmen said, provides rehabilitation which is more therapeutic than any treatment known.

## Boy Scouts Slate Spaghetti Dinner

Boy Scout Troop 309 will serve their annual spaghetti dinner from 5:30 to 7:30 p.m. Saturday at Friendship Hall. Theme of this year's dinner is "Give Mom a Treat for Mother's Day."

Tickets are available from troop members or may be obtained at the door of Friendship Hall at Church and Main streets. Proceeds will be used to defray transportation expenses at camps held throughout the year.

## ROOM MOTHERS GET MEETING INVITATION

The Superintendent of Streets shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the Clerk of this Board of Supervisors an affidavit showing the posting of said notices of improvement.

# Mother's Day Gift Guide

Proclaimed By President—May 8, 1914

## Special Day Set Aside For Mothers

Down through the ages, great writers, artists, poets, composers, and statesmen have turned to "Mother" as a source of inspiration for their achievements.

That the place of honor has always been given to Mother, can be seen from the earliest of recorded history.

The tribute due "thy father and thy mother" was included in the Bible's Ten Commandments . . . inscribed thousands of years before the birth of Christ.

And, Aeschylus (525-456 B.C.), the father of the Greek tragic drama, wrote "Honour thy father and thy mother stands written among the three laws of most revered righteousness."

Although honoring mothers is historic and classic in all phases of the arts and in our social structures, yet it remained for a determined young Philadelphia woman to come up with one of the world's most inspiring tributes to Mother—Mother's Day!

In 1907, on the first anniversary of her own mother's death, Miss Anna Jarvis asked her church to hold special services in honor of mothers everywhere.

Prior to that, the nearest thing to Mother's Day as we know it had been a "Mothering Day" in medieval England. On this day all young men and women, who were apprenticed away from home, were asked to journey back to their home-towns and visit their parents. For a while, to go "a mothering" was a very real part of life in England—a time when children expressed their love for their mothers through special celebrations and gift-giving. After a time, however, Mothering Day faded from history.

Then in 1914, climaxing seven years of pioneering on the part of Anna Jarvis, both houses of the 63rd Congress adopted Public Resolution 25—the official Declaration of Mother's Day.

May 8th of that same year, President Woodrow Wilson issued the first proclamation declaring Mother's Day on the second Sunday in May.

## Most Moms Like 'At-Home' Gifts

Mothers—whether full-time home-makers or part-time careerists, look forward to receiving something "for the house" at gift times.

From the wide variety of gifts for the home, electrical gifts stand at the very top!

For the woman who performs miracles in the kitchen, give appliances that take over and do the work! From combination wafflers and grills—to electric broilers and roasters—to automatic rotisseries, to electric bean pots, liquidizers, poppers, deep-fat fryers and egg cookers, there's something electrical for everyone!

Or, treat the home to a new clock! Select a modern version that seems to have no works and casts interesting shadows on the wall . . . or an electric banjo clock, or an electric banjo clock, or an electric clock, or a tall, attention-getting Grandfather!

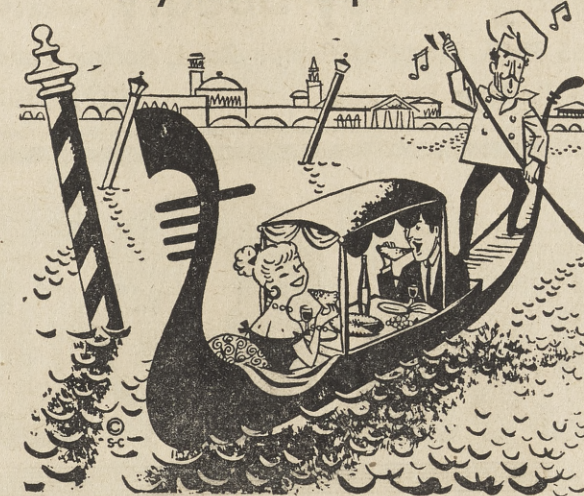

Whatever the particular woman's hobby or preference, the shops 'round town offer a tremendous variety of gifts keyed to make home-makers very happy this Mother's Day!

MOTHER IS GOING PLACES! And, if she hasn't planned to, she'll certainly want to travel somewhere to show off this beautiful luggage, a gift from you on Mother's Day! It's made, without a lock in sight, of scuff-proof textured vinyl fabric in a wide selection of high-fashion colors. The frame is strong, yet lightweight, magnesium. Pictured, neat night case.

## Maybe Mother Will Enjoy Her Breakfast In Bed On Her Day

Breakfast in bed epitomizes luxurious living, and there's scarcely a mother who would not adore being waited on, especially on her very own day!

As a change from the daily routine, fix a breakfast tray with her favorite foods; adorn it with a bud vase holding a single rose; use her finest linen, and give her a big send-off for Mother's Day with breakfast in bed!

## Mom Surley Can Use New Slippers

Not too long ago, slippers were considered pretty prosaic gifts. But there've been some changes made!

Glamour galore is now afoot in slippers with new feather-weight leathers a-sparkle in colors as bright and varied as flowered gardens.

Smartly styled, these at-home shoes are really dashing enough to wear dancing. Supple leather thong sandals in bright hues are set on curved Louis heels and accented with glittering buckles; little flats feature multi-colored leathers and combinations of textures, such as suede with overlays of shiny patent leather, and glove-soft leather mules in lovely pastels are touched with scalloped detailing, cut-outs at the vamp or tiny, floral perforations.

Perfect for wear with tapered ankle-length pants are the closed-toe, open-back strap slippers, set on inch-high hobbin heels and styled in scores of new leather colors to blend with today's handsome at-home clothes.

A far cry from the "old carpet slipper" but just as comfortable are the more tailored slippers designed for complete ease under foot. Simple in design but shown in colorful, lightweight leather, these come with cushioned leather soles, the new scooped-in wedge sole or brushed leather soles that give the wearer a real fleet-footed feeling.

MOTHER NEEDS A CAMERA that's instantly ready to catch brief, exciting moments. This new movie camera automatically sets the lens for correct exposure the moment the subject is sighted. All Mother does is press the button to obtain perfect moving pictures.—8mm Electric Eye by Bell & Howell.

## O.K. MOM — SMILE!

Mother's Day must have a certain dream-like quality for Mom. When she wakes up on the Monday following her big day, she must wonder if it all really happened. Was I really served breakfast in bed? Did the children actually do the dishes?

How can she be sure it all happened? One good way is to have your camera loaded with Kodak film so you can save all the highlights of her day in pictures. Your snapshots will be an extra present she'll treasure.

And speaking of presents, how about surprising Mom with a camera of her own? A Brownie Starflex Cam. era outfit makes an impressive Mother's Day gift. It contains an easy-to-use Brownie Starflex camera, flashholder, batteries, film, and flash bulbs, plus wonderfully easy-to-follow instructions. It's all Mom needs to take pictures indoors or outdoors. For just \$16.75.

The Starflex will let her snap the kids in the moods and antics only she is around to see. And if she's a grandmother, she'll finally be able to have all the pictures she wants of her grandchildren. Color slides, color snapshots or black-and-whites, she'll be able to take all three with her Starflex.

Film, flash bulbs, gift cameras... naturally you'll find them all on our shelves and we'll be glad to help you make your selections. Stop in and stock up on everything you'll need to make this a Mother's Day the whole family will remember.

## Mothers Always Welcome 'Something To Wear' Gift

Spring is here and Mother's Day too . . . what a wonderful time to start your favorite lady's new-season wardrobe.

Top choice as giftable wearables are colorful sweaters . . . bulkies, cardigans or dress-makers—pastel and brilliant blouses . . . to wear over skirts or under suits!

So Mother can't have too many "fill-ins" . . . scarves, collars and jabots. And the variety for your selection is unlimited. Colors, patterns and fabrics are all so exciting, the only problem is that you'll want to buy them all. You can't go wrong on a gift

for Mother if you select a new fashion . . . every woman loves nice things to wear!

Belts are cued to versatility. With the importance of the new high, wide and handsome waist, the addition of a belt to last year's sheath creates a look of brand new!

With color so important in the total fashion picture, Mother will find multiple ways to wear a bright, wide belt.

Necklines make no compromise this season . . . showing up either high or low. They have gained in importance pointing up the high-rise waist trend.

## Jewelry For Mother's Day Gift Selection

There is little doubt that the most important thing about any Mother's Day gift is the sentiment behind it, but there is equally small doubt that the well thought-out gift will be the more appreciated one. For one thing, as the Jewelry Industry Council reminds us, it is a day to give a personal gift, something that is close to heart and home.

Although we are sometimes inclined to forget it, Mother likes to look pretty as well as anyone else, and for example, a new pair of earrings selected to flatter her own particular complexion and hair coloring will probably make her eyes shine in more ways than one.

Earrings can contribute real flattery to the eyes and face because of their color and brightness, especially in the case of the not-so-young face. Charm her with Charms

One of the more popular Mother's Day gifts is the charm bracelet complete with charm or charms which bear some special message for your own Mother. One good thing about a gift such as this is that charms can be added each Mother's Day or on other gift days to complete the story.

Other gifts sure to please the home-maker's fancy are — fancy linens for the bedroom, kitchen and dining room, the bath and the many places around the house where linens show off to good advantage.

Or, give her a personal radio . . . sewing equipment . . . yarns to knit . . . or threads to crochet!

## Children Love Giving Sweets To Mother

Certain days of the year remain as sentimental as they were in the past. And one of the sweetest and most sentimental days of remembrance is Mother's Day!

On this day of honoring and remembering all the wonderful things a Mother does, the giving of a gift is straight from the heart of a child — untinted with the ballyhoo of commercialism. The children give Mother a gift because they want to — not because they have to.

The youngsters generally make a grand raid on their pennybank or piggybank, laboriously counting pennies, nickles and dimes and then put their heads together for the big decision of what to buy for Mother.

One gift that any youngster can afford is Mother's own special box of candy (she'll pass it around anyhow). The lollipop set can find a lovely feminine box of candy with appropriate sentiment inscribed on the cover for their tiny budget.

The baby-sitting teen-ager can find a wide assortment of pretty be-ribboned boxes, filled with delicious chocolates with which to surprise Mom.

## Vogues Receive Two First Place Awards In SD

The Southern District of the California Federation of Women's Clubs April 15 presented the Vogue Section of the Lemon Grove Woman's Club with two first place awards for achievement in community service and welfare assistance at the Federation banquet in the La Fayette Hotel.

The Vogues' last regular board meeting for this club year was held at the home of Mrs. Anthony Codina, 2337 Cypress, Monterey Heights.

The regular business meeting, also the last for this club year, was held Tuesday at the Woman's Clubhouse, 2810 Main Street. Hostesses for the evening were Mrs. John F. Davis and Mrs. Herman L. Johnson.

Installation of officers, during the social meeting will wind up the Vogues' year.

Officers to be installed are: chairman, Mrs. B. G. Collier; first vice chairman, Mrs. Mel Hammerstein; second vice chairman, Mrs. M. M. Connolly; third vice chairman, Mrs. W. C. Hubbard; secretary, Mrs. J. A. Ross; corresponding secretary, Mrs. Thomas Duffner; treasurer, Mrs. Harold Wolfarth; parliamentarian, Mrs. Harold Hatton; coordinator, Mrs. Robert E. L. Ball.

## Stock Market Viewed For Men's Club

Thomas Tucker Creamer, a representative of Merrill, Lynch, Pierce, Fenner and Smith, Friday told the Lemon Grove Men's Club why the capitalistic system of profits for private enterprise must be maintained.

"Communism lies at the opposite end of this philosophy," he said.

He also told the club that the stock market afforded a financial cushion for investors who sought protection against inflation.

"Stocks represent capitalism as much as anything," he said. "Big business is owned by individuals through stocks," he pointed out. As a point of comparison he said that if all the employees of U. S. Steel bought stock in their firm with the money they would otherwise spend for autos in one year, the employees would own the steel firm. He said he did not recommend that they do so.

The program this week will be provided by Robert Sjogren, an attorney who lives in Lemon Grove at 7627 Lansing Drive. Sjogren is a former assistant prosecuting attorney but is now in private practice. He will talk about the law from the prosecutor's point of view.

Jesse E. Lee is presiding officer. The club meets each Friday at Michael's at noon.

## 'Griff' Hayes Named Chief Of United Fund Division

The United Fund of San Diego County this week named a Lemon Grove man to head the Business Firms Division in this fall's annual fund-raising campaign.

Griffith J. "Griff" Hayes, an independent insurance man, will head a small army of volunteer

"GRIFF" HAYES

solicitors who will be seeking firm gifts and employee donations in more than 4,000 businesses in the metropolitan area. This division is charged with contacting firms hiring less than 10 persons.

Hayes, 35, his wife, Barbara, and two children live at 2040 Eldora Street.

Hayes, a civic minded man, is a member of the boards of at least six organizations dedicated to community improvement. In his interest in youth programs, he is active in the YMCA, the American Red Cross, and the San Diego Boys' Club, all United Fund-supported agencies. Other civic organizations he is active in are the Council of Churches, the Kiwanis Club, and the Junior Chamber of Commerce.

The Junior Chamber of Commerce named him its president in 1951-52 and "Outstanding Young Man of the Year" in 1954.

Mrs. Hayes is also active in community work. She is the past president of the Downtown Kiwanis-Anns and is a member of the San Diego State College YM-YWCA.

Hayes said, "The United Fund offers the people of San Diego the opportunity of supporting all the health and welfare services the community needs, in one gift—once a year. The Fund raises money to support almost 100 agencies in the county."

### YWCA Annual Meeting Date Set

The annual meeting of the Young Women's Christian Association, combined this year with the monthly association luncheon and the electors' assembly, convenes at noon Tuesday in the downtown YWCA. Panel topic is "Target Date 1970." During the panel discussion, all 5,000 YWCA electors from all over the county have an opportunity to express their views on how, during the next 11 years, the YWCA can be of most value to the entire area.

John Wolf and Gary Cones led the group in singing two songs.

Two new Bobcats were accepted into the pack and received their bobcat pins. They were Billy Atkins and Michael Blevins.

Randy Clark, Paul Johns, and Kenny Burke received their Webelos patches. Two new den mothers were welcomed into the pack by Cubmaster Cones. Betty Blevins will take Den 3 and Jean Carroll will become den mother of Den 4. Den 4, under the leadership of Ester Gormley, played three selections on the musical instruments they made in the past month's den meetings, as their skit. The other dens put up displays to decorate the table in the meeting hall.

Cubmaster Cones, assistant Cubmasters Pete Wolf and Bill Bates, and committeemen Harold Wagner and Kenny Harmon April 26 took 17 boys from Pack 325 on a fishing trip to El Capitán. The boys caught 115 fish. Paul Johns caught the first fish. Gary Cones and John Cones tied for the most fish caught with 13 apiece. Royal Bates was second with 12 fish. Larry Rowins and Billy Atkins shared the booby prize with one fish apiece. Pete "Bob Cat" Wolf caught two nice size catfish and Harold Wagner caught the largest tree stump on record at the lake.

**CASA DE ORO BAPTIST**

By vote of the church, the time for Sunday evening services has been changed to 6:30 p.m. for youth meetings and 7:30 p.m. for evening services. The Wednesday evening Prayer Hour will remain at 7 o'clock.

A science film, "Prior Claim," by the Moody Institute of Science, was shown at the April 26 meeting of the youth groups. Adults were visitors. After the showing of the film a welcome reception was held, including a message by Rev. Anderson entitled, "Now That You Belong." A duet was sung by adults Wayne Grellson and Harold Moline, which was dedicated to new members of the church. Refreshments were served in Fellowship Hall.

The monthly area skate session for junior high age and older groups has been set for May 18. All youths will meet at the church for transportation to join others at Palisades Gardens in San Diego.

Morning meetings will continue through Thursday and Friday of this week. All ladies are invited. The mission study is on Mexico. The one-hour meeting includes information and fellowship, says Rev. Anderson. This is an annual series of meetings, sponsored by the Women's Missionary Society.

## LET US ALL PRAY TOGETHER AS A FAMILY

**MOTHER'S RECIPE FOR HER SUCCESS**  
Mrs. Elizabeth Rickenbacker, mother of Captain Eddie Rickenbacker, gives her recipe for home training of her son Eddie:  
"First, there is faith. He was taught early in life to have faith in God. Through the years she has maintained the Bible she used in training Eddie as a boy.  
"Second, she taught him a sense of responsibility toward others. Eddie was taught to consider things from the point of view of those whom it might affect.  
"Third, he was taught self-reliance and ability to look out for himself and his own things.  
"Fourth, he always had something to do. He developed a sense of citizenship and public service."
